Volume IV

No. 1

Oct-Nov. 1976

Dear Membership: I would wish, as one of my initial duties as MCA president, to give a VERY hardy thanks to our previous slate of officers, Ed Issa, John Masters, Warren Porter, Judson Farmer, Jimmy Aden, and especially, Larry Wright, who so ably guided us through the secretarial and treasurership duties. We look forward to another and productive year of chess activity in Mississippi. Needless to say, it requires a CONCERTED effort on all membership to maintain a viable organization, and this is best carried out by YOUR contributions, however small you might imagine them to be. Let's all put our heads together and make it work!!!

The annual MCA business meeting was duly held during our State Championship Sept. 4-6 at Jackson and, with a rather disappointing attendance, passed the following major resolutions:

1. The 1977 State Championship will be an Open Swiss Tournament, 7 rounds, to be held over the 3 day Labor Day Holiday next year. MCA membership required, with champion to be a bona fide Miss. resident. This change from the Qualifying Point System is seen to hopefully increase the participation from all levels and areas of the State. If this does not have the desired effect, then we may revert back to the QP System or any other system can do the job. The venue remains to be seen as each club must put forth their desire to host the tournament. We would like to see it held in a different city each year, thereby exposing local players to rated games they might not otherwise see.
2. Membership dues have necessarily been increased slightly to \$5 adult, \$3 junior, with \$1 family (another MCA member at same address), these are effective immediately. Any member with dues payable will find an "X" by the name on address. It was deemed necessary for this increase to alleviate strain on the MCA treasury due to increased printing costs, etc. AND with a view to increased financial participation of the MCA in local events. This matter was discussed at length and many had felt that there might have been some previous alienation by the MCA in local events. I wish to DISPEL any such notions that any of our membership may feel. This is one of the MCA's basic goals--- promoting chess at the local level.

Thanks, J.F. Barrett

During 1974-75, still within the Fischer era, the MCA made more money on memberships (\$5 and \$3), head taxes for tournament participants and club affiliations than it spent on MCL's, correspondence, and all other expenses. In the previous two years such things as statewide mailings of the Chess-letters were undertaken several times. Previous administrations have not been forced to exercise fiscal restraint, but this one will be.

As of October 1 the MCA had nearly \$150 which was not earmarked for future Chessletters or for trophies. While it is true that the MCA is losing money we are not as bad off as it was thought at the business meeting in Jackson. At that meeting it was assumed that the MCA would be unable to reduce its expenses and dues of \$8 and \$4 were voted on by the members. Since taking office I have seen that reducing the MCL to eight pages, cutting out special issues and special mailings, and reducing correspondence and phone calls between the officers (easy since the Pres, Sec., and Treas. live in Jackson) that the MCA can get by on about \$40 to \$45 every two months. While we need an increase in dues from \$3 and \$1, I feel that the increases to \$8 and \$4 are unnecessary.

1976 US Open

Because of space limitations this report on the US Open is limited primarily to the business meetings, particularly those parts of which affect players and clubs.

These were several dues changes passed which all take effect Jan 1, 1977. A senior membership (over 65) will be \$10/yr; I'm not sure if there will be an affiliate discount on this. A family membership (for spouse of reg., sus., or life member) will be \$10 with \$2 affiliate discount. A motion for an adult participating membership failed. The discount for sustaining members will be cancelled. Affiliate dues will go up to \$25 a year. On the subject of money, a deficit of \$75,000 was authorized for the current fiscal year which ends next March while a break-even budget is required for fiscal 1978.

To summarize other matters; The US Open will be held in early Aug. in the future. The designation "state affiliate" (i.e., the MCA) is changed to "state chapter"; only states with over 5000 USCFers may have two chapters.

With computerization it will now be possible to more accurately compute ratings. Dr. Apard Elo's proposals were adopted with few changes. The exact formula (instead of the familiar 4%) will be used with bonus and feedback¹ implemented. A rating of 1000 was established as a semi-permeable floor---no rating above 1000 would be permitted to drop below that level. These changes take effect at once.

In a special mailing to the delegates after the Open, Ed Edmondson announced that he would be resigning as Executive Director of the USCF after a reasonable transition period.

I had planned on playing eight rounds before deciding whether or not to extend my reservation, but a bad cold knocked me out after six rounds. Through six I was 3-3-0 against a D, C, and 4 experts. One of my games: 1 Nf3 d5 2 d4 Nf6 3 e3 g6 4 Bd3 Bg7 5 O-O Nc6 6 c3 Bg4 7 h3 Bf3 8 Qf3 e5 9 de Ne5 10 Bb5 c6 11 Qf4 Nh5 12 Qh2 cb 13 g4 Nf3.

Suppose a young 1300 rated player plays like a 1600 at a tournament. Bonus points help push his rating towards 1600 much faster than normal rating gain would while with Feedback his opponent's would get credit for having played someone rated higher than 1300. Full details will be in a forthcoming CL&R.

The Second Annual Gulf Coast Classic held at the Biloxi-Sheraton Motor Inn Sept. 25, 26 was, again, a smashing success and tremendous thanks are in order for Marilyn Berger and John Mead and the entire Gulf Coast Chess Club. This is an event which is a definite MUST on your chess calendar!!!

The Interzonal at Biel, Switzerland

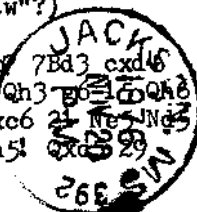

Your president had the good fortune to attend a few rounds of this mammoth tournament after attending a scientific seminar in Zurich this past July and would like to pass on some comments of interest. Biel is situated on the north end of the Bieler See, a beautiful deep water lake in the Jura mountains at an elevation of about 1500ft. In conjunction with the Interzonal, two large open tournaments were held in the Biel Pavilion, which held not only an excellent restaurant but heated indoor pools, billiard rooms and a host of other delights. The city is bilingual and Bienne is its French spelling having been occupied by Napoleon's forces in the 18th century.

It is quite possible that Mikhail Tal may be making his long awaited return to the top as shown by the following game which I witnessed at close range with our own R. Byrne: 1 e4,c5 2 Nf3,d6 3d4,cxd4 4 Qxd4,Nc6 5 Bb5,Bd7 6 Bxc6,Bxc6 7 Nc3,Nf6 8 Bg5,e6 9 0-0-0,Be7 10 Re1,o-o 11 Qd2,Qa5 12 Nd4,Rac8 13 Kbl,Kh8 14 f4,h6 15 h4,hxg5 16 hxg5,Nxe4 17 Qd3,Bxg5 18 Nxe4,Bxe4 19 Rxe4,Bh6 20 g4,f5 21 Rxe6,Bxf4 22 Nxf5, and Byrne resigned. Although Byrne lost rather quickly here, he finished in 5th place and just missed being in a playoff by 1/2 pt. Here Hubner, whom I was able to talk with at length since we shared same hotel(he is an excellent backgammon player as well!), engages Tal in an English: 1c4,Nf6 2 Nc3,e6 3 Nf3,Bb4 4 Qc2,c5 5 g3,Nc6 6 Bg2,0-0 7 0-0, Qe7 8d3,h6 9 e4,d6 10 Nh4,Rb8 11 f4,Bd7 12 h3,Nd4 13 Qf2,b5 14 Be3,bxc4 15 dxc4,Bc6 16 R(a)e1,Qb7 17 Bc1,Qa6 18 e5,dxe5 19 fxe5,Nh7 20 Bxc6,Qxc6 21 Re3,Ng5 22 Qg2,Qa6 23 b3,Nxh3+ 24 Qxh3,Bxc3 25 Qg4,Qxa2 26 Rxc3,h5 27 Qxh5,Ne2+ 28 Kh1,Nxc3 29 Bh6,Qe2 30 Qg5,Qe4+ 31 Rf3,Qh7 32 Bxg7,Qxg7 33 Qxg7+,Kxg7 34 Rxc3,R(f)d8 35 Nf3,Rd1+ 36 Kg2,R(b)d8 37 Rc2,R(8)d3 38 Ra2,Rxb3 39 Ng5,R(1)d3 40 Ne4,Re3 41 Nxc5,Rxg3+ and Hubner resigned.

I certainly hope the membership will forgive the somewhat lateness of this Newsletter (due mainly to your President's home address change AND change in marital status!) We would WELCOME some tournament dates for the first half of the New Year as the next Newsletter will go out before Christmas and will include the State Championship results and etc. The Jackson club has set a tentative date the last weekend of Feb. as next Jackson Open so lets have dates to me BEFORE Christmas. Thanks, Dr. J. Barret.

VOLUME IV

No. 2

Dec.- Jan. 1977

Dear Membership: With this issue we will round out the old year and bring in the new with greater expectations than ever before for the MCA. Lets hope amongst your New Years' Resolutions is one of increased support of chess in Mississippi and, of course, increases in the RATINGS!!!

Since the last Chessletter I have received contributions from some of our membership, but we STILL need information for publication from ALL parts of the State, particularly the southern portion. If you are contemplating holding a tournament OF ANY SIZE OR TYPE please do not hesitate to contact me or any other officer and we will HELP.

One item inadvertently left out of last Chessletter was that to be eligible for the State Championship next Labor Day one must have played in at least two(2) MCA associated events. This was voted unanimously on at the last business meeting.

Members whose dues are now payable to the treasurer will find last 4 digits underlined in red, hence 7701 = 1st month in 1977.

I have recently been in contact with Mr. John Parsons, president of the La. Chess Association concerning a REMATCH of the Miss.-La. match on the Coast and a tentative date of April 17 this year was mentioned. I would appreciate comments from those who participated in the first half on this date. Since it was held in Ms. last time, the venue would probably be New Orleans or Baton Rouge. The following is a listing of upcoming tournaments received so make your plans NOW and don't be left out!!!

Thanks, Dr. John Barrett

April 17th- Miss. VS. La. MATCH?? Firm date hopefully by next issue.

Because of space limitations of last issue our State Championship was held to this issue and, as can be seen, Mr. Warren Porter and Mr. Anthony Crawley are our co-champions for 1976; congratulations to two very fine chess players!!! "Crawley Comments" and "Issa Idioms" next issue, we are really pressed this issue, AGAIN!!

The Dutch defence has scored well in recent tournaments:

Oxford Open Ladner-Johnson 1 d4 e6 2 c4 f5 3 Nc3 Nf6 4 Nf3. The most effective way I've seen to play against a Dutch is to withhold this move and fianchetto the KB before Black can take control of that vital diagonal. 4...b6 5 Bg5 ab4 6 a3. This move is not good in this position because the QN, controlling f5 and e4, is worth more than the bishop. 6...bc3 7 bc Bb7 8 e3 00 9 Bd3 16 10 Rab1 Nbd7 11 Bc2 h6 12 h4 Qe8. * This name was inadvertently left off the list of the top 25. Our apologies to him and anyone else who was left off either list.

From the U.S. OPEN;

Loal Davis (≈2150) - Porter (1799)

- 1 e2-e4 c7-c5
- 2 f2-f4 d7-d6
- 3 Ng1-f3 Nb8-c6
- 4 c2-c3 d6-d5
- 5 e4-e5 d5-d4

Black wasn't prepared to play a French.
5 .. d4 gives Black his share of the center.

- 6 d2-d3 Bc8-g4
- 7 Bf1-e2 Bg4xf3
- 8 Be2xf3 Qd8-d7

Stops both 9 Bc6:+ and 9 e6, either of which could ruin Black's pawns.

- 9 c3-c4 e7-e6

White wanted to prevent .. dc opening the d file.

- 10 0-0 g7-g6
- 11 Nb1-a3

The plan N-d2-e4 looked better.

- 11
- 12 Na3-c2 h7-h5

Prevents g4 after .. Nf5 and comes in handy later.

- 13 Qd1-e1 Ne7-f5
- 14 Bf3-e4 Bf8-e7
- 15 Bc1-d2 Qd7-c7
- 16 b2-b4 Nc6xb4
- 17 Nc2xb4 c5xb4
- 18 Bd2xb4 Nf5-e3
- 19 Rf1-f2 Be7-h4

Forcing g3 and giving Black a handle to open the h file with.

- 20 g2-g3 Bh4-e7
- 21 Ra1-b1 Ra8-b8
- 22 Bb4xe7 Qc7xe7
- 23 Qe1-a5 b7-b6
- 24 Qa5-b5+ Ke8-f8
- 25 c4-c5

After the game White suggested 25 Qb4 trading Queens and obtaining a favorable endgame. When we tried that he got in c5 and eventually won the d Pawn and that round of the postmortem.

- 25
- 26 c5-c6 h5-h4

I wondered how white would answer the threat of 27 .. hg 28 hg Rh3 which either wins the g Pawn or if 29 Rf3 Rbh8.

- 27 Be4-g2

It won't be as easy as the above note.

- 27
- 28 Rf2-d2 h4xg3

Doesn't threaten anything ... yet, but prevents a lot of useful moves (Qb4,a4)

- 28 Rf2-d2 h4xg3
- 29 h2xg3 Ne3xg2
- 30 Kg1xg2 Qa3-c3

My opponent thought that 30 Rg2: might have been better. Here I thought I would win the c Pawn with 31 Rdb2 Rbc8 since 31 Rib2 would allow 31 .. Qc1 with an overwhelming King hunt.

- 31 Rb1-b2 Qc3-c1
- 32 Kg2-f3

Back to reality. 32 ... Qh1+ is simply answered with 33 Rg2.

- 32
- 33 Rb2-c2 Qc1-g1
- 34 Rd2-f2?

Possibly the losing move. (Rg2). Now Black has an extra tempo to get his Rooks into the game. Once his King gets to g4, White thought Black would have no checks on the d1-h5 diagonal.

- 34
- 35 Rf2-g2 Qg1-e3+
- 36 Kf3-g4 Rc8-h8!

The original idea was 36 c7 and the Pawn will cost Black his Rh3. Too late

he sees the threat is 37 .. R8h4+!
38 gh Qf3+ 39 Kg5 Qh5 mate.

- 37 Rc2-f2 Rh3xg3+
- 38 Rg2xg3 Qe3xf2
- 39 c6-c7

Desperation.
